DOUBLE TRUCK INFO

RE: FLEET #3

Thank you for your interest in Roadex Services. Roadex has been in the RV Specialized transportation business for over 18 years and is one of Canada's largest and most successful RV Carriers.

Owner Operators are paid \$2.15* per loaded mile for all of our specialized RV runs.

All General Freight loads are paid at 80% of Gross Revenue.

*Roadex monitors fuel prices weekly and adjusts fuel surcharges as necessary.

The average mileage for a month is 13,500 miles based on a single driver. Each rounder would average between 6-9 days out. We usually are able to work and adjust to most Owner/Operator needs. Roadex runs all 48 states and most of Canada. However, most Double Truck trips are from Indiana to Alberta.

Roadex offers a subsidized Health & Dental Package to all O/O. This package also includes driver personal coverage for \$1 Million in the U.S. We offer a Goodyear National Account Program which protects the O/O with a fixed Canadian cost on all tires.
